ABOUT ROGER MOOKING

Roger Mooking has earned a reputation as one of Canada's premier chefs by developing a culinary philosophy built on perfect execution of globally inspired culinary traditions. He is the host and co-creator of his own internationally broadcast television series entitled **Everyday Exotic**. He is also the recording artist and creator of **Soul Food** – a unique food and music project released by Warner Music. Roger is a regular contributor to The Mark News. For Roger, music and the epicurean world flow together seamlessly. One feeds the body, the other the soul; they are both food in all its various forms.
