About The Mark

The Mark is Canada's daily online forum for news commentary and debate. It is founded on the idea that thousands of credible Canadians, here and abroad, have important things to say but cannot reach a national audience. For these Canadians, The Mark is their platform. It publishes high-quality original written, audio and video content for distribution through the web, print, radio, television and live events. The Mark, which is based in Toronto, launched in May 2009. Visit The Mark: www.themarknews.com
